

Fundraising Made Easy

Your supporters raise funds while shopping for the things they need.

What is **HuTerra Rewards**?

We help your cause raise funds when your supporters shop at local and online name brand businesses giving HuTerra Rewards.

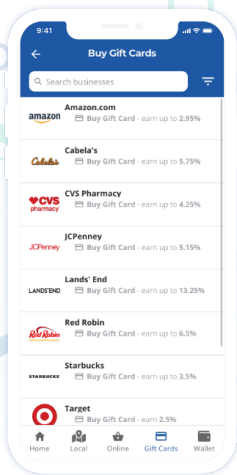

Simply invite your supporters to download the My HuTerra app, select your fundraiser, and start shopping to earn HuTerra Rewards.

HuTerra captures your supporter's activity, collects the funds from the stores, and passes the funds to you.
